Our Club

FROM THE DESK OF THE CEO & SECRETARY

Dear Honourable Members,

As we bid adieu to 2017 and usher in 2018, let's cherish the wonderful experience we had and look forward with all hope and excitement to embrace the new challenges with positive outlook and determined spirit to make our dreams come true. On a very humble note we revive our E Bulletin from this quarter again.

The last quarter was full of activities beginning with the AGM in Sep 2017. The Entertainment programmes especially the M B Club race and New Year Celebrations have been applauded by all members.

Our honest endeavour is to meet the expectations of our honourable members and strive for improvement in all departments. We also seek the blessing of our respected Senior Members for accomplishing our goal with renewed determination and zeal.
